DPBRN Study 10- phase 3

ver 02-15-10

Provider initials: _____

Date recruitment started: _____

Consecutive Patient Log

Use one line per eligible patient. In the "Eligible patient number" column, record each eligible[1] patient whom you treated today, regardless of whether the patient enrolled. In the "Count of enrolled participants" column, only record enrolled patients. Stop recording when you reach 30 qualified consented participants.

Date	Eligible patient number	Count of enrolled participants		Participant Dental Record Number	Patient *not* included		For enrolled patients, Dentist Signature to document Study 10 Verbal Consent Obtained
		Invasive treatment	Non-invasive treatment		time did not allow	patient not interested	
		Count 1- 30 (cumulative)
